We would like to keep the traditional Euroweek activities as well as add new ideas. We hope the whole week will be full of exciting meetings, events and workshops.

We expect each country to be represented by a delegation of eight students and two teachers. Please find enclosed the preliminary programme.

We are truly looking forward to meeting all of you in Latvia in 2015 and would be grateful if you could confirm your participation by the end of December 2014.
